INFINIBAND TRADE ASSOCIATION ("IBTA")

Specification (the "Specification")

Single Copy License (the "License")

Ownership of Specification

The Specification is the copyrighted work of IBTA and is protected by worldwide copyright laws and treaty provisions. The Specification may not be copied, reproduced, modified, published, uploaded, posted, transmitted or distributed in any way, without IBTA's prior written permission. Except as expressly provided in this License, IBTA and its members do not grant any express or implied right to you under any patents, copyrights, trademarks or trade secret information.

Permitted Use

Upon receipt by IBTA of payment for a single copy license to the Specification, you are entitled to possess one physical copy of the Specification in the form provided to you by IBTA, and to make internal, noncommercial use of the Specification within your organization. This is a license, not a transfer of title, and is subject to restrictions. Specifically, you may not:

- make copies of all or any part of the Specification;
- modify the Specification or use it for any commercial purpose, or any public display, performance, sale or rental;
- remove any copyright or other proprietary notices from the Specification; or
- transfer the Specification, or any part thereof, to any third party for any purpose.

You agree to prevent any unauthorized copying of the Specification.

Transfer of License

This license is not transferable without the written consent of IBTA.

Disclaimer

The Specification is provided "as is" with no warranties whatsoever, including any warranty of merchantability, non-infringement, fitness for any particular purpose, or any warranty otherwise arising out of any proposal, specification or sample. The IBTA disclaims all liability for infringement of proprietary rights, relating to the use of the information in the Specification. In no event shall IBTA be liable for any damages whatsoever (including, without limitation, damages for loss of profits or business interruption) arising out of the use of the Specification, even if IBTA has been advised of the possibility of such damages.

IBTA does not warrant the accuracy or completeness of the Specification, including, without limitation, the text, graphics or other items contained within the Specification. IBTA may make changes to the Specification at any time without notice to you. IBTA makes no commitment to update the Specification.

Trademark Notice

InfiniBand Trade Association and IBTA logo are trademarks and/or service marks of IBTA. IBTA's trademarks and service marks may be used publicly only with permission from IBTA. Other names and brands may be claimed as the property of others.

Termination of License

IBTA may terminate this license at any time if you are in breach of the terms of this License. Upon termination, you will immediately destroy your copy of the Specification (and any other copies of the Specification you possess as a result of breach of this License or otherwise).

Affirmation of License

You may indicate your assent to this License and all of its terms by any one or more of the following methods:

- Written acknowledgment.
- Electronic acknowledgment.
- Ordering and using the Specification.

The undersigned agrees to all of the above license terms with respect to each specification ordered on the accompanying IBTA Specification Order Form, as an authorized representative of the organization identified on such Order Form.
