How to join Work Groups on the IBTA website

1) Register for a new user account at [https://cw.infinibandta.org/user/register](https://cw.infinibandta.org/user/register) (you will need to use an email with member company domain – for example rsdance@soft-forg.com).

2) After completing the registration process you will be able to login and view the Causeway FAQ from the main landing page [https://cw.infinibandta.org/wg/Members/workgroup/home](https://cw.infinibandta.org/wg/Members/workgroup/home).

3) Click on the link Collaborative Workspace User FAQ and review item #4
   a) **How do I join a workgroup** - when you first log in to Causeway, you'll be shown the Causeway home pages. There is a link on the left titled **View Workgroups**. Clicking this link will take you to a page where you can view the list of available workgroups.

4) You can join a group by either clicking the 'Join' or 'Request Access' link for each available workgroup.
