

## How to join Work Groups on the IBTA website

- 1) Register for a new user account at <https://cw.infinibandta.org/user/register> (you will need to use an email with member company domain – for example rsdance@**soft-forge.com**).
- 2) After completing the registration process you will be able to login and view the Causeway FAQ from the main landing page <https://cw.infinibandta.org/wg/Members/workgroup/home>

### Welcome

[ administer pages ]

Welcome to the **Members Only** section of the web site. If you would like to administer your member information, please use the appropriate links.

To read a list of **Frequently Asked Questions** to help you get started in the new system, please click this link.

To change your profile settings, click the **"My Profile"** link at the top of the page.

To visit your workgroup areas, click on the links on the left-side of this page, or use the drop-down menu next to "Members Area" above to view the list of your workgroups.

- 3) Click on the link Collaborative Workspace User FAQ and review item #4
  - a) **How do I join a workgroup** - when you first log in to Causeway, you'll be shown the Causeway home pages. There is a link on the left titled [View Workgroups](#). Clicking this link will take you to a page where you can view the list of available workgroups.
- 4) You can join a group by either clicking the 'Join' or 'Request Access' link for each available workgroup.
